A drunk
girl, a no-strings-
attached fuck...
what a great party
for the both
of them!

I just got laid for the first time! See, I was at this party and I guess I got drunk on the punch because I was dirty dancing with this cute guy and he was rubbing his crotch against me. So we went outside and he backed me up against the garage wall. Then he lifted up my skirt, pulled down my panties and just stuck it in. Whoa, my cherry was popped! He did me real hard, too; I never knew a guy could go so fast! After awhile he grabbed my butt and started spooging. Some of it dribbled on my panties so I keep them in my drawer to remember him by (even though I can't seem to remember his name!)

Sugar

I'm totally a lesbian even though I haven't actually done it with a girl yet. But I do have a girly mag at home and just looking at the pics gets me off good. And there's this one girl at school I have a crush on. I think about her all the time, like I want to kiss her real hard and press my titties up against hers. Then I'd open up her pussy lips and lick all over before sucking on her clit, kind of teasing her, you know? I'd flick my tongue real fast over and over till she'd cream all over my face, then I'd lick her clean and kiss her so she could taste her own pussy juice. Sounds yummy, huh?!

I bet
Swan's crush
would like a
nice pussy
licking, even if
she isn't
a lesbo!

A Perfect Substitute

I always thought my breasts were too big, but my boyfriend Kevin says they're just perfect. Perfect handfuls. Perfect mouthfuls. And last week, he showed me something else they're perfect for—fucking!

My parents were out for the night, and we were making out pretty hot and heavy on the couch. He had me stripped down to just my little pink thong and it was really wet because he was playing with my breasts. My nipples are so sensitive, he can almost make me cum just playing with them! I get all wet and squirmy and ache so much it almost makes me want to let him go all the way. He was licking and sucking and squeezing my tits until I was squirming and begging him to touch me down there and make me cum. But he just pushed me back on the couch. "I'm going to fuck you, Kailie."

I just about freaked when he said that! Hey, I wanted to say yes, but I just couldn't. He pulled off his jeans and his big hard cock bounced against his belly as he knelt across my hips with his knees on each side. "We can't," I told him. "Not yet."

That didn't seem to bother him, though. He just crawled up a little further until his throbbing cock rested between my boobs. "You know what else your tits are perfect for, Kailie?"

He tugged at my nipples again, making me squirm and whimper, then his big hands closed around my tits and pushed them together around his cock, so just the head showed. I just love the taste of his cock and how he reacts when I lick it, so I leaned up and slid my tongue along the little slit. He just moaned and pushed my tits tighter around his cock, tugging and teasing my nipples as he slowly pulled his cock back, then pushed it in again.

"So tight hot," he groaned. "Just like your sweet little cunt."

I was so turned on watching his cock appear and disappear between my breasts! I leaned up again and caught the whole head of his cock in my mouth this time, my tongue dancing and licking just like he'd taught me. My spit made it slick, and pretty soon he started pushing in and out faster, harder, his cock sinking into my mouth on every stroke. It was so hot, watching him get more and more turned on, making me wetter by the minute! He moved faster and faster, then right at the end, let go of my tits and buried his cock in my mouth while it jerked and those hot spurts of cum went right down my throat! I just gulped it down, my tongue lapping up every drop. After that, he finger-fucked me until I came, too, and believe me, it didn't take much! Someday, I'll probably let him put his cock in there instead of his fingers, but for now, my tits are perfect!

NEW LINGERIE

I've never shared a room before, so living in the dorm is kinda weird. For one thing, my roommate is always running around in just her panties and bra, all sexy tits and ass. She has the prettiest panties, though, all lacy and silky, the kind my mom would never let me buy. Katy took one look at my white cotton panties and bras and just shook her head and said, "I'm taking you shopping, girl."

That very afternoon, she dragged me into one of those naughty lingerie shops in the mall! She ran around, gathering up all these panties and bras and camisoles and stuff, then pulled me into a dressing room to try it all on. I didn't notice at first that her hands were kind of lingering and touching, but then she knelt down in front of me and slid her hands up the insides of my thighs, hooking one finger under the thin strap of a lace thong and adjusting it all the way up between my butt cheeks. I was so embarrassed, but she just pushed me back on the chair and moved between my legs.

"I've wanted to do this since the first day," she whispered, kissing the inside of my thigh.

"You have?" I sort of squeaked.

She nodded and hooked her finger under that narrow strip of fabric again, pulling it aside. Her long nails trailed through the little blond bush of hair then down along my shaved pussy lips. She kept saying how she wanted to touch, taste, feel me cum against her mouth, until I was squirming and could barely breathe. Her fingers kept teasing along my slit, making me wetter by the minute! Then she leaned in real close and put her mouth on me! I never even let my boyfriend put his mouth down there, but when she slid her tongue into my slit and flicked it over my clit, it felt so good I just about creamed right then and there!

There were people in the other dressing rooms, so I really tried to be quiet, but when she started licking and sucking my clit, then slid one of her fingers into my hole, I couldn't help moaning. I clutched her dark hair and tried to pull her away, but she just kept licking and sucking and pretty soon I just leaned back and lifted my hips, spreading my legs wider and begging her not to stop. And she didn't! Just kept on until I was shaking and crying out, pulling her hair and grinding my pussy against her mouth. I've never come so hard in my life!

When she finally pulled back, her face was all wet and shiny, and she just grinned as she licked her fingers and lips. When we finally came out, the salesperson glared at us and told us to leave. Katy just laughed and dumped the pile of lingerie on the counter, that cum-soaked thong right on top. "We'll take these!"

How cool
is it to watch your
big, fat thing fit
into little Lola's
tight twat!

I just love sucking your cock! It's so fat I can barely get my mouth around it! At first I figured it was tiny 'cause it was all soft and itty-bitty. But after I deep-throated it a coupla times it turned into a monster. All I could do was suck the head while I jacked it. But then I started wondering what it would feel like up my pussy so, what the fuck, I let you stick it in me. I like how you started real slow 'cause I'm so tight, but then after a short while you fucked me for real and it felt so awesome! And then I let you jizz in me 'cause any guy with a dick that's as big as yours deserves some real good nooky, you know?

What an
ass-fucking
ho! Carmen's
guy is so lucky,
but then again,
so is she!

CARMEN

I think any girl who hasn't done it up the ass is totally lame! I mean, guys always want to stick it up there, it's like their biggest fuck fantasy. Plus, it's dirty as hell and that gets girls off, too. Like, when my boyfriend and me do it I stick my ass up in the air and first he uses this greasy lube and does me with his fingers. How nasty is that?! But then when his cock is in, it's fucking awesome. I feel like some whore in a porno and I make him do me really hard so his balls are banging on my wet cunt. Afterward, if he's still horny, I give him a blowjob. See, I told you it was dirty!

Wanna know how a
teen porn star like
Jackie Ashe
relaxes at home?
Check it out!

I rented this apartment with this awesome tub. See, it's got this spout that comes out real far, so the first time I took a bath, I just stuck my cunny right under it. Man, was it intense 'cause it, like, did my clitty and my hole at the same time! Everything got all warm and squishy and pretty soon my clitty was all swollen and I started shaking, like I do before I cum in all my movies! Then it hits and I freak out, and all I can feel is the water on my cunny! I do it all the time and the cool thing is that no one knows, they just think I'm taking a regular bath! A nice, dirty bath!

sssshhhhhh!!!!!!!

It'll only hurt if you want it to!

100% TSTV

I swear I didn't mean to. That's what I'd say to him. A lame apology but best to keep it simple. I made my way down the hospital corridors in my poolside flipflops searching for his room, my hair still soaking wet, dripping cool tingles down my back.

I just kinda slipped on the wet concrete by the high-dive. And tumbled right into a hunk-a-licious swimmer from the state team who'd been slumming it at our neighborhood pool. Which left him flat out on his back with a long bloody scrape down one awesome hip and impressively muscled thigh.

Oh, and knocked out cold!

The nurses said he'd likely be fine, but because of the knock to his head, they were keeping him overnight. For observation. I felt lower than an amoeba. Especially 'cause the reason I fell into him was because I'd been gawking at the bundle crammed into his skimpy Speedos. How does a girl apologize for that?!

His room was at the end of the corridor. I pushed open the heavy door, putting a weak smile on my face.

But he was asleep, one long sprawl of tasty fineness. And no one else around. Just his softly measured breathing and the buzz of a bedside fluorescent lamp.

I thought I should just go. But I felt so bad and he was all alone.

I'd come straight from the pool, still in my wet bikini under a knit skirt. Though I suppose it would've been better if I'd covered up my top too. A lot of guys had done a double take on my jigglies on the way over here. But I'd been in such a guilt-ridden hurry to see if my unlucky victim was still alive.

Maybe once he woke up I could fetch him stuff—jello or morphine or something. Be his little nubile whore for a day. Now, that appealed big time. Licking his gorgeously tanned feet in nothing but a grass skirt, sliding my full tits with their perky points all over his slippery, suntan-oiled chest, and flat abs, and ...

Shhheeeesh! I was a crushed-out goner.

I went to lean a hip against the bed, take a better look at my snoozing heartthrob. His hair stuck out in every direction, bleached by the sun. He'd tussled with the sheets in his sleep too. They were twisted low across his belly and the tacky hospital gown was skewed.

There was also that recently familiar mound of sumthin special right where it should be, just under the edge of the sheet.

You shouldn't.

Really, Shannon, you should not!

I verrrry gently lifted the sheet an inch. Slid it down just the littlest bit more.

It was like a jumble of beefy parts lying in a heap between his thighs. How it all fit in those Speedos, I have no idea.

All at once that jumble started to fill up. Like someone was pumping air into it. It sorted itself out into one puffy sack of virile goods and one long flexing pole of eagerness. Definitely wouldn't fit in any Speedos now! The poor guy was getting a hard-on. In his sleep!

I looked to his face.

Uh-oh. Not in his sleep.

"I—I'm sorry!" I dropped the sheet

and stepped away. His eyes were wide open, looking at me intently, while his boner kept on boning up.

He shoved the sheet back down. I glanced at his boner again, thick and heavy now.

"Am I dreaming?" he asked sleepily.

I swallowed and squeaked out, "No."

His eyes traveled to my breasts barely contained in my meager bikini top then to the hem of my short skirt. "Come closer."

I stepped forward and his hand was between my thighs in a flash, snaking under my swimsuit bottoms until he found where I was getting all oozy-goozy. I pressed myself against the mattress shamelessly and spread my legs far apart to give him easy access.

Without even a bit of hesitation, my own hand reached over and wrapped around his pole. It surged in my grip, which gave me a surge too.

"Fist it," he said while one of his fingers poked deep into my cream. I gasped at how good it felt and squeezed his penis. Held it tight and worked the loose flesh up and down. While his fingers fucked me with the same quickening rhythm.

His eyes were half closed watching my tits as I bent over his erection. They spilled forward, totally overfilling my bikini, and I inhaled extra deeply—on purpose!—so the nipples would pop up over the top's containment.

His eyes got dark and delicious at that little maneuver! He plucked at one bead, then the other, as I put just the bulbous red tip of him into my mouth. My fist kept moving up and down the thickened shaft below. He made all kinds of throaty sounds and that hand of his under my skirt got rabid. I swirled my tongue around, circling the knob, then sucked on it. Pumped my fist, swirled and sucked harder.

"Get the hell up here!" he growled and his hand on my twat lifted me off my feet by the crotch. Did that ever feel great!

I slipped out of my flipflops and scrambled onto the high bed. "But what if someone comes in?"

"I don't give a flying fuck. Now put your ass in my lap." He was turning onto his unhurt side, toward me, and I got what he meant.

I laid down the way he wanted, his cock nudging my ass under the flimsy skirt, his hot breath warming the back of my neck. I helped him drag off my bikini bottoms. Then he undid the neck knot on the top too and his hand reached over to cradle a breast.

"Who are you, anyway? Candy striper?" He chuckled.

I hoped he wouldn't have second thoughts about putting his beautiful hard-on inside me but I told the truth. "I'm the one who slipped and fell into you. By the high dive?"

"Ahhh, yeah. You were checking out my basket of goodies."

I giggled. "Most definitely." I pressed back so his hard-on wedged into the crack of my ass.

His fingers tugged at one of my distended nipples and I inhaled deeply. "You decided you like it then?"

"Oh, yeah!" I clenched my ass cheeks against his cock.

His hand moved to the center of my back and prompted me to bend far forward so my swollen pussy lips were more exposed. "How much do you like it?"

"However much you want me to." I couldn't believe that came out of my dirty little mouth! Even if it was exactly how I felt, my mind still running with that nubile whore routine.

He held a hand to my back and probed my opening.

"So ready," he was murmuring. "So wet."

He plunged all the way in. One go and he was massaging the very depths of me. I tilted my ass to take every morsel of him and had to yelp at how full he was in there, sticking me so deep.

"Oh yeah ... you like this fine, don't you?"

I nodded frantically 'cause I did! I tried to keep myself from falling off the bed while he drew out slowly and shoved back in, nice and deep.

He may have been scraped up on that one side, but it sure

didn't slow him down. He fixed my hips against the mattress and pumped in and out of me like he was pounding nails in there. Determined and fast. And so wonderfully deep.

I gulped breaths when I could, gripped the side of the bed and let my tits jump around like crazy with his pounding. My pussy burned with slick friction. Hotter and hotter, melting inside!

"Your young pussy is clinging to me so tight!"

I tried to clench my inner muscles even tighter and he grunted his pleasure.

"Play with your clit. Make yourself cum."

Practically as soon as I put my finger down there, I came in a rush. Roll after roll of pure hot goodness flooded me. I felt my pussy clamp onto his cock in rhythm with my orgasm and he started to spurt too. Held himself deep in there and jerked his milk into me.

"Tight little hole. So fresh," he growled into my neck. "You take it all now."

"Yes," I exhaled as he unloaded more and more. "Please,"

Both of us rode the waves, trembling with jittery exertion.

"Oh, my!"

We both whipped our heads around to see one of the hefty hospital nurses parked in the open doorway to his room, mouth gaping, eyes bugged out.

"Look, Nurse Betty!" he taunted her. "She made me all better!"

He flexed his hips against me, his softening cock still deep inside. Moved like he was fucking me again, fake-grunting to the beat. The lady sputtered and sped away.

I nestled my ass against him as he relaxed, our mingled fluids making us all slippery. He stroked my breasts in a lazy way. Guess my unspoken apology was very much accepted! I couldn't help grinning and imagining if I promised to lick his wounds real good maybe he'd let me "apologize" again real soon. I'm soooo glad I ran into him! 18

Eve's the biggest tease ever, but hey, at least she gives guys a little taste!

I 'm not ready to do it all the way, but I still have lots of boyfriends. That's because I let 'em do anything as long as they don't stick it in. Like I'll do 69, 'cause my mouth doesn't count as a hole, and I'll even swallow. And I let 'em lick my pussy or even my asshole; one guy sucked on it for forever. At first it was totally gross, but when I played with my clitty at the same time, I came, like, six times! No kidding! And I'll even let guys rub their dicks down there, like they kind of slide through my wet slit, you know? That makes 'em crazy and they beg me to let them fuck me, but no way!

Nothing is more tantalizing than watching a shy teen fucking and sucking her way through the real world. Check out the stories of their coming-of-age sexual escapades captured only in our exclusive award-winning HI REZ photo galleries & HI DEF video collection.

Do you
think Emily's
pussy fuzz is as
pretty as her
long, red hair?

I was reading this magazine from the supermarket and it was way dirty. Like, it said if you shave down there, it feels better when you do sex. Well, I never done it for real, all I do is put my fingers down there sometimes, but still, I got my razor and my dad's shaving cream out. Doing it made me all warm and wet and tickly, even inside, and when I was done I looked totally bald! But, I was way sexed up so I stuck my fingers up there. I hope that's how it feels when you do it with a boy 'cause it was the best. So I'm gonna keep my privates shaved for when I do real sex!
